🔗 Portfolio

PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience in building responsive and user-friendly web applications using HTML5, CSS3, JavaScript, React.js, Bootstrap, Tailwind CSS, and Django. Skilled in developing reusable UI components, responsive web design, cross-browser compatibility, REST API integration, authentication, and CRUD operations. Experienced in deploying web applications using Netlify and Render while following modern web development best practices. Strong foundation in Data Structures, OOP, DBMS, and problem-solving with a passion for creating high-performance and scalable web applications.

SKILLS

Programming Languages

JavaScript,

Backend Development

Django,

Web Development

HTML5, CSS3, React.js,
Bootstrap, Tailwind CSS,
Responsive Web Design, DOM
Manipulation, UI/UX

Tools & Platforms

Git, GitHub, Version
Control, Netlify, Render,
Chrome DevTools

EDUCATION

Bachelor of Computer Applications (B.C.A),

Islamiah College (Autonomous), Vaniyambadi, TN

2023 – 2026

Vaniyambadi, TN

Higher Secondary (Class XII),

Islamiah Higher Secondary School, Pernambut

2023

Pernambut

• Tamil Nadu State Board

PROJECTS

Pernambut Connect 📄, Community Networking Platform

05/2026 – 05/2026

- Built a full-stack platform using React.js, Tailwind CSS, Django, and MySQL.
- Implemented authentication, CRUD operations, and responsive design.

Pernambut Hub 📄, Civic Issue Reporting System

- Developed a civic issue reporting system using Django and MySQL.
- Implemented authentication, issue tracking, and CRUD functionality.

TECH ZONE 📄, E-Commerce Web Application for Electronics Products

- Built a responsive e-commerce website using HTML, CSS, and JavaScript.
- Implemented product categorization, pagination, and mobile-friendly layouts.

AL HUDA ISLAMIC SCHOOL , Educational Website

- Developed a responsive educational website using HTML, CSS, and JavaScript.
- Showcased school information, curriculum, and gallery content.

EXPERIENCE

Front-end Developer intern, AspiraSys 07/2025

- Applied foundational HTML5, CSS3, and JavaScript principles across a 90-hour hands-on training curriculum to develop functional web components.
- Completed a dedicated project challenge as part of the internship, successfully implementing client-side logic and modern UI/UX design concepts.
- Demonstrated commitment to learning through the successful completion of a 30-day program, covering comprehensive training in the basic fundamentals of web development.

ACHIEVEMENTS

Third Prize in the ADZ - AP event, SAIT '25 IT Symposium 12/2025

- Hosted by the Department of Computer Applications (UG) at Sacred Heart College (Autonomous)

First Place in the 'Pirates Pursuits' event, TECH-FRENZY 2K25 National Level Technical Symposium 12/2025

- Organized by the TECH-ASPIRE Association at Thiruvalluvar University

TRAINING & CERTIFICATIONS

INDUSTRIAL TRAINING: AspiraSys, Chennai, 09/2025 – 10/2025
Web Development, AI Tools & Deployment Platforms Chennai

- Completed a 6-week program on Web Development, AI Tools & Deployment Platforms. Gained practical expertise in full-stack web application development and leveraging AI concepts for enhancements and scalable deployments.

WORKSHOP: 'Flask', Sacred Heart College (Autonomous) 09/2024 – 09/2024

- Participated in a Local Workshop on 'Flask', demonstrating foundational skills in Python-based web development using the Flask micro framework.
